

Youssif Elgezawy

Data Annotation Specialist | WordPress Developer | Customer Experience

201553569076 • Youssifelgezawy80@gmail.com • [Portfolio](#) • [LinkedIn](#)

PROFESSIONAL SUMMARY

Detail-oriented professional with hands-on experience in AI data annotation for autonomous vehicles, WordPress web development, and customer service. Skilled in image and video labeling for computer vision systems, building responsive websites with Elementor, and delivering high-quality results under tight deadlines. Passionate about contributing to the advancement of AI through precise, reliable data annotation.

EXPERIENCE

AI Data Annotation Specialist | **Micro Engineering** | Mar 2026 – Jun 2026

- Annotated and labeled image and video datasets for autonomous vehicle AI systems, including object detection, lane marking, and traffic sign recognition.
- Reviewed and corrected AI-generated annotations to ensure accuracy and consistency across large-scale datasets.
- Gained deep understanding of computer vision annotation pipelines and quality control standards.
- Completed additional freelance annotation tasks including web content classification (junk/not junk) and video categorization.

WordPress Developer | **Ebda3** | 2025 – Jan 2026

- Developed responsive websites for clients using WordPress, Elementor, HTML, CSS, and JavaScript.
- Delivered 3 live production websites: Alfaris Tours, Sama Matrouh, and Shalaby-Steel.
- Implemented performance optimization, theme customization, and cross-browser compatibility.
- Collaborated with design and project management teams to meet client requirements on schedule.

Customer Service Representative | **Vodafone** | Jan 2024 – Aug 2024

- Ranked in top performance tier among agents from the first month based on internal performance metrics.
- Resolved customer inquiries efficiently, maintaining high satisfaction scores.
- Demonstrated strong communication, problem-solving, and team collaboration skills.
